

Mark Jacobson is the founder and director of the dermatopathology fellowship program and associate professor of dermatology and pathology at Montefiore Medical Center and Albert Einstein College of Medicine (AECOM) in the Bronx, New York. He is also senior managing director of DermPath Diagnostics, Port Chester, NY.

After graduating from the University of Witwatersrand Medical School in Johannesburg, South Africa, and residency in pathology at Long Island Jewish hospital in New York City, he trained in dermatopathology at New York University Medical Center (NYUMC) with A. Bernard Ackerman MD. After completing fellowship training in 1989, he remained as associate director of dermatopathology at NYUMC until 1992 after which he left to join AECOM and Pathology Associates of New York (now DermPath Diagnostics).
